Calabarzon

## Summary

An upcoming 4th year Computer Science student at Polytechnic University of the Philippines.

Currently an average developer with deep interest towards technology. I love to learn and explore. Always striving to learn new technologies that can further enhance my skills as a developer.

### Technical Skills:

- Java
- Python
- ReactJS
- Git
- Web Development

I'm open for any opportunities if you wish to include me in your project.

You can also reach me thru my work mail:  
rosariomark37@gmail.com
